A Message from H.E. Garchen Rinpoche:

"I request all my disciples to recite the World Peace Prayer and Supplication to Tara by Lord Atisha as much as possible for the benefit of all beings, not only for yourself when you have difficulties but for the entire world's difficulties. Only reciting these prayers for yourself will not be so helpful. Recite these prayers as much as possible as part of your daily practice. During these degenerate times of the pandemic and global warming, it is especially important to pray for all beings in the world by reciting these two specific prayers."
