A Message from H.E. Garchen Rinpoche

"The Summoning of Good Fortune" that all of us recite on an ongoing basis comes from the "Orgyen Khandro Norlha Tseyang Nyida Khajor" (The Orgyen Khandro Norlha Sadhana of Gathering Long-Life and Wealth from the Union of the Sun and Moon Tantra). Even though this sadhana is fairly long and has not been translated into English, it will be very beneficial to play a recording of it at home as it contains all the benefits of the Summoning of Good Fortune that we recite regularly. Thus, it would be very good to play a recording of this sadhana at home on the 10th and 25th day of the Tibetan

month, on Losar (the Tibetan New Year), or whenever you wish. This sadhana is the best long-life prayer and it also includes a smoke offering. Since we practice the Summoning of Good Fortune regularly, playing a recording of this long text is very beneficial.

Many Tashi Deleks!
